### **31 FEMALES**

15 cows with calves at foot, 19 bred cows and heifers and 4 open heifers. The best in Shorthorn and Polled Shorthorn bloodlines.

Purebred breeders and commercial cattlemen can profit from purchases from this sale. Selling will be half brothers and sisters to champion and top selling cattle in recent Arkansas and Mississippi state sales. A special attraction includes the dispersion of the entire herd of top Shorthorns owned by Rocky Ridge Farms, Booneville, Arkansas. Note the large number of cows with big, husky calves at foot selling in this sale. A real opportunity to select bulls of herd heading caliber and females that will be the profit making kind.

## **THERE ARE MANY OPPORTUNITIES NOW FOR THE PROGRESSIVE STOCKMAN**

In the days of peak prices, some people said that prices were too high to go into the cattle business. If this were true, then this should be a good time to buy because whatever inflation there was in cattle prices had been pretty well taken out. The cattle business is a basic essential business. If you are going to make it your business, you will want to get into it and stay with it. Heavy marketings have whittled down any surpluses we might have had at the first of the year. With this reduced inventory and strong consumer buying power, high wages and high employment, the cattleman can fill the needs of every beef-producing program, and this sale looks like the place to fill your 1953 buying needs.

Roan, D. M. Gregg

WOODRUFF'S ROYAL MERCURY — here is a nice bull with plenty of good background behind him that anyone can check on. Ruggedly built, will make a herd bull for 1954. Dam's mother is a deep red cow bred on the Arkansas State A & M College Farm, that I paid a very high price for. Sire, Browndale Barrage which was a first place bull at State Fair of 1950 in his class at Little Rock.

YARNELL'S MARSHALL RODNEY 7th — By our senior herd sire, K F Marshall Rodney, the Grand Champion Kentucky Show & Sale 1950, (check his pedigree) and by one of the best daughters of Justamere Mercury. This bull is an excellent herd sire prospect with lots of weight and size. He has a good head, is short legged with heavy bone and good hind quarters, as well as an excellent front end. He is a full brother to the two-year-old heifer bought by Craighead Milling Co. at our spring invitational sale that was second top selling heifer of the sale and a close runner-up in quality to the top heifer. This bull is an excellent individual.

ROCKY RIDGE CAP-A-PIE — a deep bodied, compact animal, having an exceptionally straight top line, very short legged and a good head. He is half brother on his sire's side to the reserve champion of the Mississippi show and sale at Vicksburg, March 10, 1951, purchased by Walter Reed, Manlow, La., for \$925. Another half brother on the sire's side was grand champion in 1950 Arkansas Show and Sale and sold to Jno Carroll, Gilber, La., for \$1,000. This calf will make someone a grand herd sire. Dispersal of the entire herd is all that causes us to part with him.
